Description: This book is about real magick, effecting real change, in a real world. There are some books on magick that teach it purely as spiritual advancement. There are others that teach it as a form of psychological self-help that effects only inner change. While magick can and should be both of these, it is something more. The Sorcerers Secrets is about success...

Review: I need to write an immediate review for this book as I was blown away by how taken I was by Mr. Millers work. I began reading this book late at night as soon as I realized the contents on the envelope which contained it. I paused having to put my baby bed and fell asleep myself for a couple of short hours waking in the 3 oclock hour. I COULD NOT PUT...
